

Jim and I cannot praise Jassy of Cyprus
Ideal enough, for his help and advice on
purchasing our new home in Jala, Pafkos.
From the beginning stages of advising us
on good, reputable builders, and an
extremely on-the-ball solicitor, plus
showing us the many different areas
to explore in our search for the ideal
property and location, Jassy has been
there to guide us all the way.

With his expertise and sound financial
advice he has advised us on all aspects of
which currency exchange people to use, to
transfer money to Cyprus, without any
problems, plus medical information needed.

We cannot thank Jassy enough
and are thrilled to sit with our
new home.

For a problem free purchase from
the word go, many, many thanks
from Jim + Maria. Good luck Jassy,
you are a gem!!
